**A message from
Long Island Farm Bureau**

Long Island Farm Bureau is pleased to invite you to our Eleventh Annual Golf Outing fundraiser. Last year's event proved to be the highlight of the season, and we expect this year to be no different.

This is your chance to play the exquisitely beautiful, exclusive Pine Hollow Country Club, East Norwich, NY, and enjoy an exciting and memorable day! You will not want to miss this opportunity to play a first-class course.

Every dollar we raise will help support the future of LI agriculture.

**Pine Hollow Country
Club History**

Pine Hollow Country Club is built on the former estate of Consuelo Vanderbilt. Consuelo purchased the land in the 1930s and her home eventually became Pine Hollow's clubhouse.

The property was sold to a private group in 1955 who built a championship golf course on the surrounding land. More than 1000 trees and shrubs were transplanted to help frame the individual holes.

In 1958, Pine Hollow hosted the Pepsi Open which was won by Arnold Palmer. The purse was the largest on the PGA TOUR that year.
